

## Ashley Inn

*Nestled among spacious lawns, rose gardens, and apple trees, the Ashley Inn offers an attractive 1800's captain's home with country charm. Conveniently located on Edgartown's historic Main Street, the inn is a leisurely stroll to shops, beaches, and fine foods.*

*Each of the ten bedrooms have been tastefully decorated with period antiques, quilts & some with canopy or four poster beds. We invite you, as our guest, to join us for full breakfast in our English tea room, and later, relax with a good book or good friends in our cozy sitting room. Enjoy our large grounds in a lounge chair or get a tan in our hammocks.*

*We look forward to the opportunity of welcoming you to the Ashley Inn and we hope to make your visit to Martha's Vineyard a memorable one.*

*Your Hosts,*

*Kristen, Brian, Megan and Caroline*

*In 1860, upon retiring from the Island whaling industry, Captain William H. Crowell built the house for his wife and eight children. For over one hundred years, visitors and natives alike have admired this large home with its distinctive Chinese Chippendale fence and unique clover leaf window.*

*In the late 19th century Captain Crowell's daughter Mary and her husband, Captain George W. Brown, assumed responsibility of the estate. Captain Brown was a famous sea captain who mastered the ships *Syren* and *Pilgrim*. For many years he sailed his ships around the world, bringing back exotic treasures from faraway places.*

*During the 20th century, the house remained in the captain's family through his daughter Gertrude and his granddaughter, Olive Hillman.*

*Then in the spring of 1983 this lovely, well maintained home was converted to a small, gracious inn.*
